After confirming your quote or order, you can track its progress in the **Quotes** or **Orders** view of the My Lingsoft portal.

On the **Quotes** tab, you can see all your requests for quote that are either ready to be accepted or pending for a quotation.

If the € VAT 0% column reads Pending, the quote is still in progress. When the quote is ready, you will be notified via email.

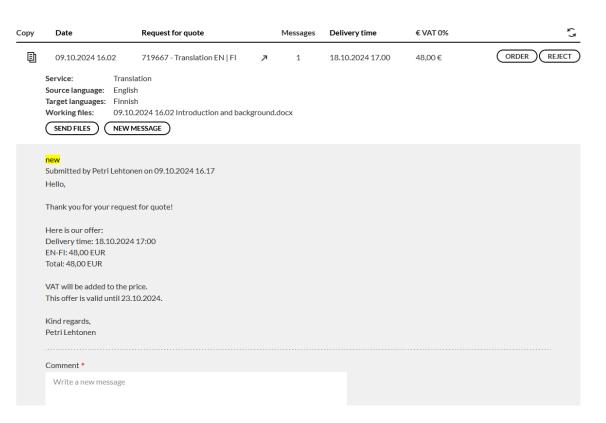

You can accept the quotation by clicking the **Order** button, and your order will move to the **Orders** tab.

You can also click to open the request for quote to talk about the assignment with our service team.

Order information and communication

Click on the order name or arrow symbol to view your order details.

On the Orders tab, you can discuss matters related to your assignment with our service team and send background material if needed.

Delivery

Once the order is complete, it will move to the Completed tab where you can download the files.

You will also receive an email notification of the completion.
